# CONSTITUTIONAL AMENDMENTS

---

## ***2020 PROPOSED BALLOT ISSUES***

The 92nd General Assembly has referred the following three amendments for the 2020 ballot. Other issues may qualify for the ballot through citizen initiative. Arkansas Farm Bureau recommends visiting the University of Arkansas Cooperative Extension Service Public Policy webpage ([www.uaex.edu/business-communities/voter-education/state-ballot-issues.aspx](http://www.uaex.edu/business-communities/voter-education/state-ballot-issues.aspx)) for quality analysis and information on all ballot issues. Voters can sign up for their e-newsletter by emailing [publicpolicycenter@uaex.edu](mailto:publicpolicycenter@uaex.edu).

### ***ISSUE ONE***

#### **HJR1018 – Continuing Sales Tax for Road Construction**

A legislatively referred constitutional amendment to the Arkansas Constitution to continue the one-half percent (.5%) sales and use tax for infrastructure projects including: state highways, bridges, county roads, city streets and other surface transportation projects, after the retirement of the bonds authorized in Arkansas Constitution, Amendment 91. This funding would be authorized as special revenue to be distributed under the Arkansas highway revenue distribution law.

### ***ISSUE TWO***

#### **SSJR15 - Changing Legislative Term Limits**

A constitutional amendment to be known as the “Arkansas Term Limits Amendment;” amending the term limits applicable to members of the General Assembly. The amendment would change the years of total service to twelve years in the Arkansas General Assembly. Only after sitting out four years after the twelve years of service could one run again for the General Assembly. Currently, the term limits in Arkansas are sixteen years total lifetime.

### ***ISSUE THREE***

#### **HJR1018 - Changing the Citizen-Initiated Ballot Issue Process**

An amendment to the Arkansas Constitution to amend the process for the submission, challenge, and approval of proposed initiated acts, constitutional amendments, and referenda. This will mandate additional counties to be included in the collection process of signatures, streamlining cutoff dates, and increasing the number of votes needed by the General Assembly to put a constitutional amendment on the ballot.
